the PROFILE

Published Monthly by the Harrisburg Section

Our President's Message

We're halfway through the month of November now, after having experienced the rare October Nor'easter – quite a surprise! With winter approaching, I am sure we will once again be faced with snowy/icy roads – so please make sure you remember to winterize your vehicles and check those tire treads.

We had a great speaker for our November Meeting, Mr. James Barbush of Barbush Enterprises. A professional engineer with over 38 years of experience, Mr. Barbush is now a professional speaker. He gave a very motivating presentation on re-engineering of corporate and individual values. He provided some good ideas and insight for finding the edge in such tough and competitive times, and with transportation funding issues hanging in the balance, many of us are asking – what's next? Thank you Mr. Barbush for your enlightening presentation and generosity, the free books were well received by members of the audience. For those who were unable to attend, the presentation can be found on the website.

We raised $124.00 at the meeting, $73.00 for our Charity of the Month – The Jared Box Project, which provides boxes of toys to critically ill children at the Hershey medical center, and $51.00 for Vickie's Angel Walk, which provides a financial bridge for families fighting cancer where it can help the most - meeting the immediate needs of the families. It's great to see such generosity, from the members and guests, in support of the worthy charities we support during the year. As we get closer to the Holiday season remember those less fortunate and know that your contributions, while small, may help someone through a difficult time. Thanks again to all those who contributed!

"President" from Page 1

Rich Heimbach is finalizing the details for our second lunch meeting of the year, which will be held in December. It should be a packed house as the Secretary of Transportation, Mr. Barry Schoch, PE will be joining us, and hopefully he will provide some thoughts on - what is next with transportation funding. Additional information on the presentation and the speaker can be found in the Profile or on the website, so I encourage everyone to register early and come join for this informative event.

Happy Thanksgiving

This brings me to our legislative committee update. The committee continues to follow the transportation funding issues at both the federal and state level. They have been working with other organizations to identify online petitions and polls, which will convey our message to the elected officials. I hope you all took part in the recent poll on Penn Live regarding tax increases to pay for roadway construction. I can't stress it enough, please make an effort to educate your colleagues, family and friends about the needs for sustainable funding and make time to meet with or contact your elected officials and communicate the need for their quick action on the TFAC recommendations. Please visit the ASHE Harrisburg website and review the information your Legislative Committee has assembled for your use. The committee has dedicated a significant amount of time generating that material, talking with elected officials, and generally getting the message out.

As mentioned in last month's message, the Scholarship Sub-Committee is hard at work disseminating the scholarship information to various schools in the area. We expect to once again receive plenty of well qualified applications this year. If any members have college bound engineering students, or students presently enrolled in an engineering curriculum at a college, let them know about our scholarship program. Information about the scholarships can be found on the ASHE Harrisburg website. The scholarship sub-committee will be looking for volunteers to assist with reviewing and ranking the applications to identify 7 winning candidates. If you are interested in helping out please contact the Scholarship Sub- Committee for additional details.

Another follow up item from last month, Central Pennsylvania Engineers Week Council is requesting nominations for Engineer of the Year, Young Engineer of the Year, and Technical Achievement Awards as part of the Engineer's Week Awards. This is an opportunity to recognize a colleague in the engineering industry for holding the values and integrity of engineering to a very high standard. If you know someone that you think may qualify, please feel free to contact Rich Heimbach to discuss this.

Please remember our Past President, Todd Morris, continues to work to fill the various board positions for next year. There are numerous committees' and functions we take on each year, all of them are very fulfilling and offer an opportunity to meet new people in the industry. Please give it some thought and

if you think you might want to get involved, let Todd (or one of the board members) know and he will add you to the list. Please see the "Contacts" link on our website for a listing of the various Committees/Subcommittees.

Lastly, a membership update. I am proud to announce our membership numbers are up from 360 to 373 members, of which 56 are Life Members. We are approaching the numbers from October of last year; keep those applications coming in. As previously stated, the Board has some good ideas to increase membership and we will be determining an attainable goal shortly, so be on the alert for details on how you can help.

I look forward to seeing everyone at our December event – the charity will be Toys for Tots, Semper Fi!

"I'm thankful to be breathing, on this side of the grass. Whatever comes, comes."

~ Ron Perlman

November's Dinner Meeting Photo Gallery

Guest Speaker James Barbush, Barbush Enterprises (center) with Rich Heimbach and ASHE President Mark Gaines.

James Barbush, and Ron Powell after the dinner meeting discussing the "Re-Engineering of Corporate and Individual Value," the topic of Mr. Barbush's presentation.

Helpful Hints

ASHE members are reminded that the section website contains a tab called "Gallery" that contains a number of the slideshow presentations from past topics of guest speakers. You may use it to garner a better understanding of the issues on your own time, or may want to share the information with coworkers or family who would find the topic of interest. The October "Solar Roadways" presentation has been posted, and the November "Re-engineering of Corporate Values" presentation will soon be posted.

Upcoming Engineering Events for 2012

CPEWC- Central Pennsylvania Engineers Week

Nominations are now being accepted for the 2012 National Engineers Week Awards to be presented by the Central Pennsylvania Engineers Week Council at the National Engineers Week Banquet to be held on Thursday, February 23, 2012.

The Engineers Week Council anticipates honoring three individuals who have made outstanding contributions to the engineering field with the following awards:

- **Engineer of the Year**
- **Young Engineer of the Year**
- **Technical Achievement Award**

Applications must be submitted by email either as a Word document or in PDF format by the nominator. Applications received directly from the nominee will not be accepted. No signatures or hard copies of forms are required. To download nomination forms and the 2012 awards nomination letter go to: www.cpewc.com: then click on Awards.
All applications must be received by November 23, 2011.

2012 Future City Competition

The 2012 Central PA Future City Competition will be held on January 21, 2012 at the PA State Museum. Registration is now available for this fun and exciting engineering competition. This year's topic is Alternate Energy. Volunteers are needed for Mentors and Judges. For more information please visit the website www.futurecitypa.com or contact Steve Roman at sroman@WBCM.com for information.

Engineers Week February 18-25, 2012

It's time again to think about Engineers Week and the local event that will take place here in the Harrisburg area.

- Engineers Week Activities at the Whitaker Center, February 18-20, 2012. Volunteers will be needed once again for the three day event. More information will be made available in the Month of January-2012. www.eweek.org or www.cpewc.com calendar for more information.

- CPEWC Engineers Awards Banquet – Thursday, February 23, 2012, at the West Shore Country Club. More information will be made available late December, early January/2012. So come on out and celebrate the 60th anniversary of Engineers Week.

- Other Engineers event happening during Engineers Week;
Engineer Display at the Colonial Park Mall from February 19-25, 2012

Capital Area Science & Engineering Fair –Judging – March 1, 2012

- The CASEF is starting up, students and teachers are preparing the displays and project for the March/ 2012 event, which is being held at the Whitaker Center, Harrisburg, Pa. Once again the Committee is asking for volunteers to assess the many projects that students will be submitting from seven counties throughout Central Pa. Please consider volunteering as a judge for this event on March 1, 2012, lunch is provided. For more information please contact Mr. Timothy L. Ritter at 717-329-3942 or casef@whitakercenter.org or http://www.whitakercenter.org/CASEF.html.

PHOTO CONTEST

I. INTRODUCTION:

- Contest eligibility is open to members and friends of the ASHE Harrisburg Section.
- No entry fee is required, and there are no geographical limits to this contest. By submitting a photo for this contest, you are granting permission for the ASHE Harrisburg Section to use, duplicate, and distribute a copy of the photo in any form (electronic or otherwise) as deemed appropriate.
- Roadways, bridges and tunnels are considered parts of highways. We encourage contestants to submit photo's of interesting highway features from sites in Pennsylvania (extra points will be given to photo's from PA); however, entries from anywhere in the world are welcome.

II. JUDGING:

- Entries will be judged at the February, 2012 meeting. 1st, 2nd, and 3rd place awards will be given. Awards will be presented to the winners at our meeting in March, 2012. Entries will be available for pickup at the end of the March, 2012 meeting. The winning entries will also be included with the ASHE mall display during Engineers Week in February, 2012.

III. RULES:

- Entries must be received no later than the January, 2012 meeting to be eligible for judging.
- Each contestant may submit only **ONE** (1) photograph, which must have been taken by the contestant. All entries must be 8" X 10" prints. Original slides or negatives will not be accepted. Black and white, or color photographs are acceptable in this competition. The contestant's name, address, daytime telephone number and photograph title must be written clearly in ink on the back of the photograph.
- Entries must be accompanied with a brief title (7 words or less) and description (50 words or less) of the highway, bridge or tunnel in the photograph; this description must include the name and location of the highway facility and a brief explanation of any construction or maintenance activity. This write-up must also be emailed to the address listed below.
- Late or mutilated photo's are not eligible and will not be considered. The Chairperson's determination regarding late or mutilated photo's shall be final.
- Contestants should mail or deliver entries to: Mike Gross
  c/o Buchart Horn, Inc.
  445 West Philadelphia Street
  York, PA 17401-3383

IV. Questions:

Contact Mike Gross at: (717) 852 – 1493, or mgross@bh-ba.com

FUTURE CITY COMPETITION

FUTURE CITY COMPETITION UPDATE & HOW YOU CAN HELP

The Central Pennsylvania Future City Competition will be held on January 21, 2011 at the State Museum in Harrisburg. In the competition, students work with a teacher and engineering mentor as they create cities of tomorrow using SimCity 3000; build a large, 3-D tabletop model of recycled materials; write an essay; and create an oral presentation. More than 30,000 students from 1,100 schools participated in Future City last year. This year's topic is: ***Alternative Energy.*** We will once again send the winner of our competition to Washington, D.C. to compete nationally.

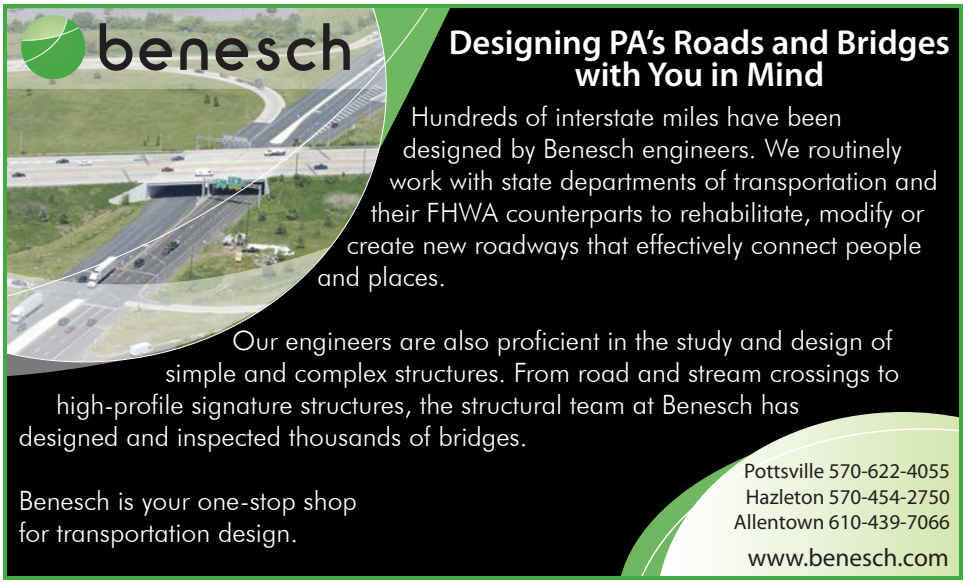
Here's how you can help:

ENGINEERS: You can help out during the Competition by being a Judge.

COMPANIES: Companies can help with monetary donations or donations of prizes and small gifts for the students. All help is appreciated.

EVERYONE: Want to help, but not sure if you have the time available? Be a Volunteer the day of the competition! Volunteers will help keep things running smoothly the day of the competition, including set-up, sign-in, and distribution of itineraries, lunch, and breakdown.

For more information on judging, sponsorship or volunteer opportunities, visit the website www.futurecitypa.com or contact Steve Roman at sroman@wbcm.com.



ASHE Harrisburg

Speaker and Lunch Presented by
ASHE Harrisburg Section and WTS Central PA

WTS Advancing Women in Transportation

Barry Schoch, Secretary of Transportation presents

"Funding Pennsylvania Transportation and Infrastructure and our Future"

Secretary Schoch is a Professional Engineer with 28 years of experience. He was formerly President of the Pennsylvania Highway Information Association, as well as Vice President at McCormick Taylor's Harrisburg office. He has authored position papers on national transportation finance authorization. He also played key roles in improving PennDOT's approach to project development, context sensitive design, and training for environmental quality efforts. He is now serving as Governor Tom Corbett's Secretary of the Pennsylvania Department of Transportation.

WHEN?

- December 5, 2011
- Registration at 11:15 AM
- Lunch at 11:45 AM
- Presentation at 12:30 PM

WHERE?

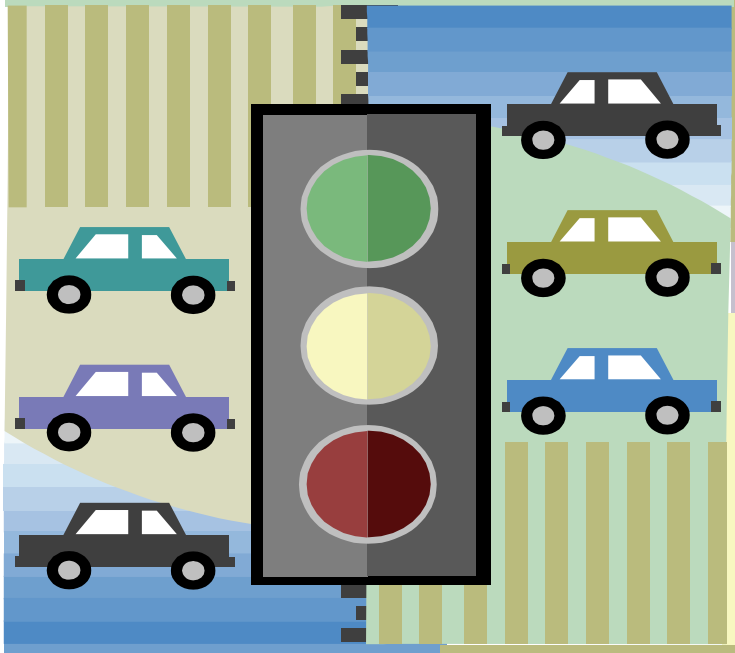
- Radisson Penn Harris
  1150 Camp Hill Bypass
  Camp Hill, Pennsylvania

Boxed Lunch—Your Choice of:

1. Turkey Croissant—Smoked Turkey and Provolone Cheese with Lettuce and Tomato. *
2. Ham and Cheese Wrap—Baked Ham and American Cheese with Lettuce, Tomato, Dijon Mustard and Mayonnaise in a Flour Tortilla *
3. Roasted Vegetable Wrap—Roasted Onions, Eggplant, Squash, Zucchini and Bell Peppers in a Spinach Wrap. *

* Includes Potato Chips, Condiments, Whole Fresh Fruit, Cookies and Bottled Water.

Please mark your meal choice below.



ADVANCED PAYMENT REQUIRED

NOTE: Please make checks payable to ASHE - Harrisburg Section and send to Marie Ledger at the address below or pay online at: http://wtsevents.org/chapter/Central-Pa/ If you fail to cancel a reservation by noon on the December 2nd deadline, we will not be able to reimburse you. Register/pay online or return this form with payment.

The Century Club is comprised of ASHE members who have made a $200 pledge to support the ASHE Harrisburg Section's activities. Century Club Members are prominently displayed in The Profile up to eight times a year. The Profile is issued monthly to more than 400 Section Members in South Central Pennsylvania. The Profile is also distributed to the Pennsylvania Department of Transportation's Central Office.

The Century Club is an excellent opportunity to gain recognition among your colleagues, while actively supporting ASHE.
Visit www.asheharrisburg.org/centuryclub.htm or call Bea Walters of VE Engineering, Inc. at 717-774-5260, to make your pledge.
